The background of the title card is a composite image. On the left, there is a medical X-ray of a human spine and pelvis. On the right, there is a close-up, high-contrast photograph of a person's face, appearing to be in a state of distress or pain. The overall color scheme is dark with a blue and purple tint. The title 'CSI:' is prominently displayed in the center in a large, bold, white sans-serif font. Below it, the words 'CRIME SCENE INVESTIGATION' are written in a smaller, white, all-caps sans-serif font.
