main(int argc, char **argv)  
{  
    foo(argv[1]);  
}
```

structs

The background of the title card is a composite image. On the left, there is a close-up of a human spine and pelvis. On the right, there is a close-up of a human eye. In the center, there are several bright, glowing lines that appear to be part of a forensic investigation, possibly a laser or a light source. The overall color scheme is dark with bright highlights from the glowing lines and the eye.
